

2019 Silent Auction

February 24-27, 2019

Dollywood DreamMore Resort & Spa, Pigeon Forge, TN

The Silent Auction is a fun and competitively-friendly way for conference attendees to purchase wonderful one-of-a-kind items. It's an opportunity to showcase your festival, event, business or community to industry leaders and it's a fundraiser for SFEA. Revenue from the Silent Auction is used to produce educational opportunities via SFEA Conference Scholarships, STS Marketing College Scholarships and seminars. Silent Auction contributions can be most anything - use your imagination and be creative! The hottest items include: trip packages, festival VIP packages, airline tickets, hotel packages, framed event posters, event merchandise, themed baskets like sports, movies, crafts or kid items and "priceless" experiences like a backstage experience, behind the scenes tour, free consultations. Don't forget to ask your sponsors and vendors in your quest to contribute a great item.

Items must be assembled and ready to display.
